The Honorable Kay Granger  
Ranking Member  
House Committee on Appropriations  
U.S. House of Representatives  
Washington, D.C. 20515

Dear Chair DeLauro and Ranking Member Granger:

I am requesting funding for the Edgewater Park Township Public Safety Building in fiscal year 2023.

The entity to receive funding for this project is the Township of Edgewater Park, located at 400 Delanco Road, Edgewater Park, NJ 08010.

The funding would be used to the construct a new Edgewater Park Township Public Safety building to house the police department, emergency medical services, municipal court, and municipal court offices. The Edgewater Park Township Police Department is currently located in the basement of the existing municipal building, which is not ADA compliant and is not up-to-code to current law enforcement standards.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

Andy Kim  
Member of Congress
